

## Buck Brannaman Clinic Motel Information

I've put together a list of the majority of the motels in the Corvallis area. Most are within 2.5-6 miles of the fairgrounds. I'm not recommending any of these motels over the other, as they all offer something different (large rooms, nice pools, free hot breakfast, lower rates, pet accommodations, etc.). If you plan on traveling with your pet (dogs only), be sure to inquire if pets are allowed, and what the fees are. Some don't allow pets at all, and some of the fees are as high as \$25 per night. Also, be sure to make your reservation soon, as there are very few pet rooms available at most of the motels.

Holiday Inn Express is our host hotel. We have a locked in rate for up to 3 weeks prior to the event (6/13/13). Others will vary according to availability. Current lodging tax is 10%
